

Our Playground Expectations

At all times after school, supervision of children is the direct responsibility of parents or caregivers.

Community use of school playground equipment is allowed after school between 2:30 - 3:15pm on school days.

The following behaviours outline our expectations for the use of our facilities

1. Playground equipment should be treated with care and consideration.
2. Access to classrooms and other school buildings are for Woodland Grove Primary School staff and associated cleaning and care taking staff only.
3. Children are able to use the blue toilets in the Brumby classroom block after school.
4. Loose items such as large cubes should be left packed away.
5. Bikes and scooters are to be wheeled/walked on school grounds.
6. Children are to use the oval for balls such as footballs or soccer balls.
7. Treat our tress, plants and gardens with respect.
