

Set 3

Day 5

FAMILY MORNING FITNESS - Scorchers Challenge Cards – see attached for instructions

LITERACY

Daily Reading – Each morning have your child read a book to you of their choice.

Phonics

Test

Learning Intention: I can apply my knowledge of the **ai, ee, ie, oa** and **or** digraphs independently.

Test your child on the digraphs above. Have students write the following words in their journal unassisted. Please send a photo once finished by SeeSaw or submit with work package. Test words: rain, train, week, seek, pie, tie, boat, goat, fork and short.

Reading

Listen & Respond

Learning Intention: I can make connections between what I already know and information in a text.

Story time: listen to the story 'Pig the Winner' <https://www.youtube.com/watch?v=-ZzNDjBGLVM> Ask your child the following four focus questions about the story.

Question 1: can you think of a time when someone didn't play fair? How did that make you feel?

Question 2: what would you do if you were Trevor the Sausage Dog?

Question 3: what was the problem and how was it solved?

Question 4: who would you rather be, Pig or Trevor? Explain why.

If you have access, please send in a video of your responses on SeeSaw.

Spelling Test

Learning Intention: I can spell my high frequency words independently to help me read and write.

Test your child on List 12 of the High Frequency Words. Have them write the words in their journal.

BREAK

LITERACY

Writing

Mother's Day Activity

Complete attached Mother's Day activities. Fill in the 'Mother's Day Questionnaire: Who is My Mum?'. Then colour in, cut out and fold bouquet of flowers. Save and give them to mum on Sunday for Mother's Day with a big hug.

BREAK

MINDFULNESS

Cosmic Yoga: https://www.youtube.com/watch?v=T_OP5grVoyg

NUMERACY

Basic Facts **Doubles**

Learning Intention: I can solve addition sums using the mental strategy of doubles.

Using your blue coloured number cards (0-9) from your resource pack, practise 'doubles' addition. Double means two of something. Choose a number from your blue number card pile and double it. For example, if you chose the blue 2 card you would do 2 + 2 which equals 4. See how quickly you can do doubles from 0 to 9.

Place Value Activity

Maths Games: Matific

Complete at least 5 assigned activities on Matific under 'Homework' in the menu on the left of the dash board.

BREAK

SCIENCE - Draw each stage of the water cycle to match the descriptions on the 'Illustrate the Water Cycle' sheet.

BEDTIME STORY - Choose a book you could read with your child and/or family before bed 😊

A decorative border of various heart shapes, some solid black and some outlined, surrounds the text area.

Who Is My Mum?

My mum's name is _____

My mum is _____ years old.

My mum's job is _____

The best food she cooks is _____

Her favourite food is _____

She likes to drink _____

We like to _____ together.

My mum makes me laugh when _____

I love my mum because _____

Mother's Day Paper Flower Bouquet

Instructions

1.

Colour in the flowers and the bow section labelled (a) and (b). You don't need to colour section (c).

2.

Fold back section d along the dotted line.

3.

Fold Section (e) behind section (c) so that you can see the back of section (b) on the right hand side.

4.

Finally fold section (b) over so that the bow is at the front of the bouquet.

Name: _____

Illustrate the Water Cycle
