Byford & Districts Country Club

17<sup>th</sup> Feb – Camp Quality Puppet Show via Zoom

7<sup>th</sup> March – Labour Day Public Holiday

# Blog 2, 2022

## From the Principal's Desk

What a difference a week makes! Thank you to our wonderful Woodland Grove family for your resilience and positive mindset as we work in this complex space that is COVID.

You will have seen my correspondence this week regarding modifications to our school operations including segregating our play areas. I know this has been hard for some of our families. Thank you for contacting us so that we can provide more support for your children. We have been responding to the Directions from the Chief Health Officer and the Department of Education to limit in-school gatherings to class groups. At Woodland Grove our class groups are defined by the Blocks classrooms are in and so children have play areas according to their Blocks.

This week we have been hard at work as we plan and prepare for possible COVID scenarios. One possibility is that the whole school or parts of the school is required to isolate for a period of time. In order to prepare for an immediate isolation we will be sending home a 2 week work package and associated stationery to every child in our school early next week. I am asking that the work package and stationery is put away and not used by children until needed. This package is so that children can continue learning with work to do. Support will be provided by class teachers through SeeSaw, email and/or phone.

We will let families know when to use the packages as they are to be used when we have an immediate lockdown rather than in the event a small number of children are in quarantine. Smaller numbers will be catered for on a case by case basis. The most important thing is to keep us informed so that we can support our families appropriately.

Thank you for your understanding and support. Have a wonderful weekend.

## Calendar

Don't forget to check in with our website calendar regularly to stay up to date with what's happening in the school.

While we try our best to limit changes to our scheduled events, our website calendar is our source of truth and we encourage our families and community to use this calendar.
