Dear Parents/Caregivers,

Welcome to the 2025 school year!

In order for a student to use their BYOD iPad at school, each student and parent is required to sign a 'Student User Agreement' at the start of each year. Classroom teachers will go through the agreement with students to ensure they understand the school's expectations before using their BYOD iPad.

We ask that parents also discuss and reinforce this agreement with each child before signing and returning the agreement to the classroom teacher by Wednesday 19 February.

The *BYOD - Student User Agreement* can be found over the page.

Should you have any questions regarding this, please contact your child's class teacher in the first instance.

Kind regards,

Adele Seymour
