Voluntary Contributions and Charges 2027

The School Education Act 1999 requires schools to notify parents of all contribution and charges prior to the start of the school year. These costs are divided into three areas: Voluntary Contributions, Personal Use Items, Charges and Other Optional Costs.

The Woodland Grove Primary School Board has endorsed the following schedule of School Charges for 2027.

Voluntary Contributions

Parent support plays a vital role in ensuring the availability of quality programs for our students. Our Vision Statement emphasises the importance of parents sharing responsibility for their child's growth and development. A keyway to fulfill this shared responsibility is by assisting the school in providing essential resources that support your child's learning.

Contributions are voluntary; however, the quality of our teaching and learning programs will be maximised when families contribute to supplement funding gained from other sources, including the State and Federal Governments. The total amount of voluntary contributions parents and carers are being asked to pay is the $60.00 maximum set in the School Education Act 1999.

School Voluntary Contributions for 2027 are:

- Kindergarten to Year 6 $60.00 per child

At Woodland Grove Primary School, the voluntary contributions will be used to purchase supplementary materials and resources used in classrooms as outlined below:

- Library Resource – books/resources
- Literacy resources (e.g. supplementary reading books)
- Mathematics and Science resources
- Physical Education resources
- Information Technology resources
- Performing and Visual Arts materials
